2. Complete an Enrollment Exception Request Form.
3. If the course requested has a pre-requisite, call the Student Services Office (417-6340) to schedule a placement test. A schedule of test times is available online or from the Student Development Office. The cost for the test is \$20.00, payable in advance in Student Services.
4. Obtain an official high school transcript in an envelope sealed by the high school official. Home based instruction students must provide documentation as outlined in RCW28A.200.

6. Your parent(s) or guardian must write a letter of support for your plan.
7. Submit a packet of the above materials to Cindy Lauderback. Early application is encouraged.

The Enrollment Exception Committee or designee(s) will evaluate the application and notify the applicant by phone or mail. Considerations include test scores, appropriate preparation for courses requested, level of maturity, and ability to function in an adult environment.

Once approved, complete an Enrollment Form to register in your class.

Student progress will be monitored by assigned counselor/adviser. No change in approved courses may be made without counselor/adviser approval. Special admission is granted on a quarter by quarter basis. Students who wish to continue must meet with the designated counselor/adviser prior to the beginning of the next quarter.
